### Re-Entering Well

Memorial's Re-Entering Well Guidelines have been sent to all those on our eMessenger eMail

List and posted on our website (click on the appropriate changing visuals on the top of the home page to view in its entirety). The Purpose of the Guidelines is to facilitate our safely joining together in our Church building for Worship and Christian Fellowship, while demonstrating our love and respect for each member of our Church Community.

### The timing of the re-openings of our facilities will be determined by:

1. The guidelines and recommendations of the Maryland State and Montgomery County health agencies.
2. When we have obtained the supplies, communicated the guidelines, and completed the training of our staff and volunteers to facilitate safe gatherings.
